

TM

# Classic<sup>TM</sup>

Protecting Eyes Globally, *Envisioning* the Future...

*Contemporary design, retro styling. Classic<sup>TM</sup> redefines traditional protective eyewear, whilst maintaining a dual lens look. Classic<sup>TM</sup> offers all the flexibility of modern eyewear wrapped in a robust frame complying to the latest ANSI standard.*

Classic<sup>TM</sup> Protective Eyewear Meets ANSI Z87.1-2003 & EN 166:2001 Standard

# Classic™

## THE LOOK

Classic™ eyewear features retro-styling so sought after for the "Traditional PPE" look.

## THE PERFORMANCE

Tough Polycarbonate lenses protect against Hi-impact and provide 99.9% UV protection. i-Cote™ Anti-Fog/Anti-Scratch coating is standard along with an eye-glass cord. Keeps spectacles where you need them, when you need them.

## THE FIT

Classic™ is versatile. Adjustable temple length coupled with Pantoscopic movement, allows for custom fitting. Soft temple tips provide greater comfort without hot spots.
