CoverX™

Eye-glass Cord Included

Light-Weight Design

Pantoscopic & Length Adjustment

Panoramic View - Seamless Optically Correct Lens Accommodates Rx Eyewear

High Impact Polycarbonate With i-Cote™ Anti-Fog/Anti-Scratch 99.9% UV Protection Lenses

* Prescription Frame Sold Separately

Convenient Over-The-Glass (OTG) Design offers the best of both worlds. Prescription eyeglass wearers get the added safety of an all-round hi-impact polycarbonate lens without sacrificing the vision, comfort and familiarity of their own personal glasses. Regular users get a robust high-tech piece of eyewear, making this an excellent choice to compliment your Safety Eyewear Program.

Exceeds ANSI Z87.1-2003 & EN 166:2001 standard
