

# iMPactor 1

The helmet of choice!  
Safety for century!

iMPactoR™ I delivers you robust construction packed with features, more affordable price setting standards beyond the norm. iMPactoR™ I uses a high density polyethylene (HDPE) shell impregnated with UV stabilizers. On the inside is the industry's most wearer friendly suspension - six textile bands interlocked with EAP™ technology ensures the best impact absorption capability possible, with the option of Pushloc™ or Twizloc™ adjustment systems.

Use your head figuratively - wear a helmet

Available accessories:
