For Enhanced Fit &
Impact Absorption

Versatile Seel eyewear offers functionality, wearability & maximum comfort to satisfy the most demanding eyewear customer.

Seel is a great economical choice for frameless safety eyewear. It provides an excellent face hugging seal to keep out dirt and grit in real extreme environments. Coupled with a complimentary eyeglass cord & i-Cote coating technology, Seel makes for THE LOGICAL CHOICE when selecting safety eyewear.

Meets ANSI Z87.1-2003 & EN 166:2001 Standards
