DESCRIPTION

- Ansell's HyFlex® 11-801 gloves are ideal for dry or slightly oily applications that require light mechanical protection and high levels of handling finesse.
- They are well-suited to light assembly applications as well as to the needs of logistics and warehousing.
- The use of Spandex elastics prevents risk of latex allergy, while the silicone-free glove reduces potential contamination of the products.

CATEGORY II

Excellent dexterity and breathability in very durable gloves

PRIMARY INDUSTRIES

IDEAL APPLICATIONS

- Warehouse work
- Light assembly tasks
- General handling

Antistatic according to EN1149

Fit for special purpose
